

NO Time to Waste!

We have a room where you can use for reviewing or self-studying for you.

Enroll Anytime!

No idea what my children and wife are talking about!?

5.0

RATING

I like her mini-test approach. I also appreciate that she also provides me the Kanji because it's easier for me to memorize if I see the Kanji associated with the hirigana. She's an excellent teacher! Very lucky to have her!

Rinko-san is an excellent teacher - very patient, clear and made great efforts to make the lessons tanoshii!

LET'S LEARN JAPANESE!
